Autumn 08

The nights are drawing in and cool, misty mornings can only mean one thing... Autumn has arrived. Not only is this the ideal time to be moving and planting trees, it's also the one time of the year when you can experience one of nature's most spectacular displays...

Vibrant, vivid red and yellow berries and incredible gold and red foliage - it's all here at Clough Bottom Trees and Shrubs

Our plantations are a riot of stunning autumn colours and now is a great time to experience them. So why not pop down and see species including

Liquidambar styraciflua which is at its most handsome with striking deep crimson/purple leaves (from £83) or our stunning varieties of

Japanese Maples including the *Osakazuki* with its intense autumn colour (from £72) or the *Cotinus Cogyria* with its deep maroon/scarlet foliage (£50). Don't miss this magnificent display - call now for an appointment.

Pre-Christmas Open Day - a date for your diary...

We'll be holding our Pre-Christmas Open Day on **Sunday 23rd November** between 11am-4pm. Cakes and refreshments will be available, and we will also be showcasing some of our other **food from the farm** in the shape of our homemade jams and chutneys, made using only seasonal and farm produce. We hope you'll come down and see us, but if you can't make it, then don't forget you can visit Clough Bottom Trees and Shrubs Monday - Friday between 10-4pm, and on Saturdays between 1-5pm. It's always worth calling in advance so I can make sure I'm around to give you a tour, advice or help (01254 826285).

Enjoy the Autumn colours and I hope to be seeing you very soon.
